Dear Ms. Boyd:

Enclosed for filing in the two referenced dockets are two (2) originals and one (1) copy of the *Confidential Version* of the Comments on 2013 Integrated Resource Plans ("Comments"). These comments are being submitted as a single document, for filing in Docket No. 2013-10-E on behalf of the South Carolina Coastal Conservation League ("CCL"), Southern Alliance for Clean Energy ("SACE") and Upstate Forever, and for filing in Docket No. 2013-8-E on behalf of CCL and SACE.

The confidential version of the Comments contains confidential information, and we are requesting that the material be filed under seal. The confidential information was redacted in the public version of the Comments which was filed electronically in both dockets on January 31, 2014 and served on all parties of record. SELC respectfully requests the Commission grant its request for confidential treatment of the Comments.

Please date stamp the extra copy and return it to our office in the enclosed, self-addressed, postage prepaid envelope. Thank you and please contact me if you have further questions.

Sincerely,
